

# AL ALAMEA ALAWLA

Quality and Calibration Services

COMPANY PROFILE 2026

*"We uphold the highest standards in quality and accuracy, ensuring that every service reflects our professionalism and dedication.."*

# About Us.

AL ALAMEA ALAWLA, based in Tripoli Libya, is leading provider of calibration, quality assurance, and non-destructive testing (NDT) services specifically designed for the oil and gas industry. With a commitment to enhancing safety and operational efficiency, the company plays a crucial role in ensuring compliance with local and international standards.

At AL ALAMEA ALAWLA, we are committed to excellence in every project we undertake. Our services range from conducting calibration of precision instruments to providing nondestructive testing (NDT) and inspecting critical safety and lifting equipment. Our team comprises highly skilled professionals equipped with the latest technology and industry best practices. This allows us to provide reliable and efficient solutions, ensuring the safety and efficiency of our clients' operations. Whether it's through our meticulous calibration services, specialized NDT services or our comprehensive training and certification programs, we aim to exceed our clients' expectations and foster long-term partnerships.

## AL ALAMEA ALAWLA

### OUR OBJECTIVES & VALUES

We At **AL ALAMEA ALAWLA** are a team of professionals who take pride in our work and always strive to ensure that our customers are satisfied with the end result.

- Fully understand our client's requirements.
- Build an appropriate project plan to meet client's objectives.
- Concentrate on what we do best.
- Serve with integrity.
- Respond to dynamic market changes.
- Provide exceptional customer service.
- Work towards 'win-win' solutions.
- Provide financial stewardship.
- Build lifetime relationships with our customers and stakeholders.

- Our Mission: is to provide quality services and solutions and create lasting value for our clients consistently.
- Our vision: is to have dominant presence in all Fields of Technical services.

# Why Calibration Matters

## ✓ **Accurate Measurements**

Eliminate guesswork and errors. Calibrated tools provide the precision needed for critical processes.

## ✓ **Compliance with International Standards**

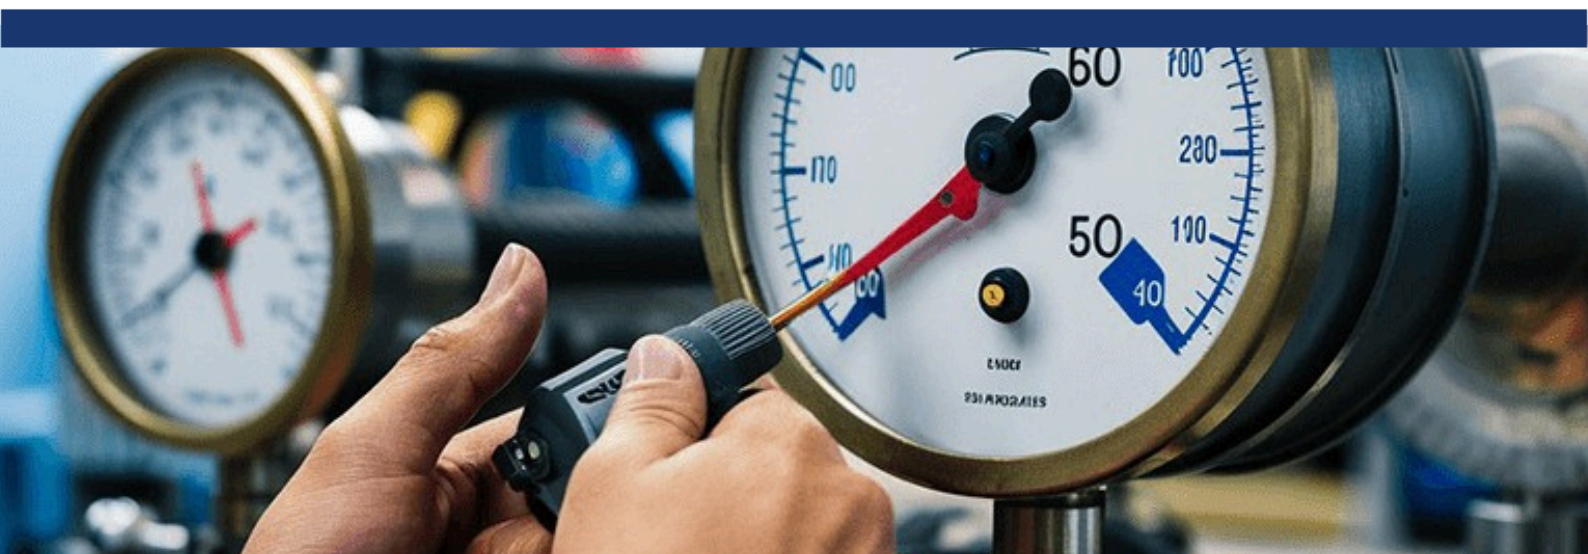

Regular calibration helps meet regulatory and ISO requirements (ISO 9001, ISO 45001, ISO 17025) reducing legal and operational risks.

## ✓ **Reduced Downtime & Cost Savings**

Prevent equipment failure and avoid costly rework by identifying and correcting inaccuracies early.

## ✓ **Enhanced Product & Service Quality**

Accurate measurements directly impact the quality of your final product or service—building trust with clients and end users.

# OUR SERVICES

## 1. Calibration and Maintenance

Maintenance and calibration of pressure and temperature measuring devices, weights, and Dimension calibration.

## 2. Non-Destructive Testing (NDT)

Conducting non-destructive tests on oil and gas drilling pipes, equipment, and tools.

## 3. Safety and Security Inspections

Inspecting security and safety equipment to ensure compliance with industry standards.

## 4. Lifting and Handling Equipment Services

Inspecting, maintaining, and providing spare parts for lifting and handling equipment, including forklifts, mobile, and fixed cranes.

## 5. Training and Certification

Organizing and conducting technical and engineering training courses and issuing certificates.

ACCREDITATION

After a successful surveillance audit, a new compliance assessment certificate will be granted for an additional year.

**DESCRIPTION:**

All certificate issued by the above accredited organization are valid for one year from the date of the certificate or less stated on the certificate issued by them and so advised to [www.asbcb.com](http://www.asbcb.com). All such certificate holders are entitled to and listed in ASBCB accredited listings and status.

In this issuance of the certificate, ASBCB declares no liability to any party other than to the conformity assessment body and only in accordance with the agreed-upon agreement. The validity of this certificate can be confirmed through the ASBCB website or by email to [admin@asbcb.com](mailto:admin@asbcb.com). This document is non-maintained and is invalid in any form other than a live download from [www.asbcb.com](http://www.asbcb.com). This document is informative rather than regulatory. This certificate remains the property of ASBCB, to whom the CB must return upon request.

## Health, Safety, and Environment (HSE) Policy

At AL-ALAMEA AL AWLA for Calibration Services, the health, safety, and environmental (HSE) well-being of our employees, clients, contractors, and the communities we serve are of paramount importance. Our HSE policy is integral to our operational excellence and is guided by our commitment to achieving ISO 9001 and ISO 45001 certifications. We strive to create a workplace that fosters safe practices, minimizes environmental impact, and promotes a culture of continuous improvement in health, safety, and environmental performance.

### Our Commitment

#### 1. Health and Safety First

- We prioritize the health and safety of all employees, contractors, and visitors. Our goal is to prevent injuries, illnesses, and accidents by implementing robust safety management systems and practices.

#### 2. Environmental Stewardship

- We are committed to minimizing our environmental footprint by adopting sustainable practices, reducing waste, conserving energy, and preventing pollution. We comply with all applicable environmental regulations and aim to exceed these standards wherever possible.

#### 3. Continuous Improvement

- We continuously assess and improve our HSE management systems to ensure they are effective and aligned with industry best practices. This | includes regular training, audits, and reviews of our HSE performance.
